Aims

Laughton Community Primary School is committed to provide, as far as is reasonably practicable, safe playgrounds, outdoor areas and learning environments for the children of our school. This policy seeks to clarify the level of supervision provided before, during and after the school day so that all staff (including contractors, agencies, and third-party organisations) and parents or carers are aware of the standards that are expected.

Supervisory Responsibilities

The Executive Headteacher/ Head of Schools will:

- Ensure the maintenance of good order and discipline at all times during the school day when pupils are present on the school premises or on educational visits.
- Ensure adequate staff are available to meet the required supervision requirements for before the start of the school day, during break times and lunch times, and at the end of the school day until all children have left the school grounds or are under parental or carer supervision.
- Organise appropriate training for school personnel.
- Ensure that staff are aware of their supervisory responsibilities.
- Continue to develop a culture of safety and a safe environment for our children.
- Ensure that this policy is communicated to parents or carers.
- Monitor the effectiveness of this policy by speaking with pupils, school personnel, and parents.
- Review and evaluate the supervision procedures as required.

Supervising staff will:

- Support and assist in the implementation of this policy.
- Reinforce a respectful 'safe play' message to all pupils.

Supervision of Children Policy

- Adhere to and follow the safeguarding and child protection, health and safety, and behaviour policies, and the staff behaviour policy/code of conduct, plus the additional policies listed on page 5.
- Report any concerns to the Executive Headteacher or member of the senior leadership team (SLT)/designated safeguarding lead (DSL) as appropriate.
- Understand their prime supervisory responsibility; to be with the class or group all the time. Children should not be put in the position of being left unsupervised. Good preparation and classroom management should ensure that there is no necessity for this to be the case.
- Have a strong awareness of the need for supervision at transition times. This includes supervision of cloakroom/toilet areas, supervision of transition to pick-up time, and supervision of use of toilets at the beginning and end of the school day. Risk assessments must be in place.
- Have an awareness of which pupils have specific health needs/conditions which may warrant an immediate response in an emergency e.g. pupils requiring an inhaler / EpiPen and that emergency medication is available as per an individual plan.

Parents and Carers will:

- Respect the arrangements provided for the supervision of their children and understand the times that supervision will be available.
- Support the supervisory staff by ensuring that their children (including other siblings who may not currently attend the school) adhere to the rules of the school whenever they are on the school site or participating in school events and activities.
- Report any concerns to the Executive Headteacher/ Head of Schools/ designated safeguarding lead (DSL) as appropriate.
- Inform the school of any changes to the arrangements for the collection of their child.

Before school

Children, which includes pupils and their siblings, must behave in a way that respects the adults and smaller children on the playground.

- The duty staff go outside at 8.30am onto the main playground and 2 entrance gates. One duty staff stands at each gate to ensure no children leave the playground after their arrival and the other member of duty staff stands on the main playground.
 - Duty staff are situated by the main gate reception gate and visitor car park gate to ensure that children come in but do not go out again.
 - In the case of very wet or very cold weather, the hall will be opened at 8.30am and a duty staff member will supervise children in the hall until 8.40am.
 - From 8.30am the school takes responsibility for children, all teachers must be ready to receive their class.
 - Staff should be available by 8.30am to receive any messages from parents and to bring in children as promptly as possible at 8.40am when children line up/
- Parent/carers should also note that there will not be staff on duty before 8.30am and are encouraged to remain with their children until there is a member of staff present on the playground. Should there be any incidents such as bullying or accidents, the school cannot be held responsible and supervisory responsibility will remain with the parent/carer until the time specified above.

The school gates will remain open until 8.40am, when the children are met and taken into classes. Any latecomers must report to the main school reception office through the main front door.

Supervision Arrangements

During the school day all visitors with business in the school will be admitted through the school office where they will sign in and receive a visitor's lanyard/badge. Certain visitors to the school will be accompanied by a member of staff throughout their visit.

Supervision of Children Policy

Leaving the school site: Children should not be allowed off-site during school hours unless there is clear evidence of a request (in writing, by email, in person or by telephone) from the parents/carers.

Errands: Children should not be sent off-site on a personal errand on behalf of a member of staff. This includes children collecting items from cars parked in the school car park.

Illness: When children are taken ill during the school day the school will contact the parents/carers, whether at home or at work. Information about contacts is kept online on our Arbor system and in a hard copy file in the school office.

Lesson Time: Children must be supervised always. Children should not be left in classrooms without supervision. Children attending clubs and extra-curricular activities should not be left in school unattended.

Exclusions: Any pupils issued with an exclusion during the school day, will be removed from the classroom and supervised in the school office. For an internal exclusion, pupils will be supported by a nominated adult in a designated space away from the classroom and have break/lunch time separately from peers. For a fixed term exclusion, parents/carers will be contacted and asked to collect the pupil from school.

The school needs to ensure that arrangements are in place for the handover of children attending any clubs or extra-curricular activities.

Visitors: All visitors to the school are expected to sign in and out. Visitors are required to wear a visitor's lanyard/badge. All staff should check strangers by politely asking why they are on the premises and report to the school office if there is a concern.

Parents/carers are not allowed to approach children from other families to sort out disputes or arguments; staff or parents/carers should report any concerns about this to the school office.

Break Times

The Executive Head teacher/Head of School will:

- Review break duty arrangements daily in the event of any staff sickness/absence thereby providing adequate supervision ratios.
- Make the decision about whether it is a wet break time and ensure that there are adequate levels of supervision throughout the premises.
- Provide supervision training for new members of staff to ensure children are safeguarded.

Games/PE

- If it is not appropriate for children to change together in the classroom for PE, then the teacher should ensure that there is some supervision of both groups whilst changing.
- Children who cannot take part in games activities can join their group as an observer (warm weather only). If this is not appropriate, then children must be designated a class or person and must report to that teacher with some work to do.

Children's Responsibilities & Duties

- When allocating jobs/tasks to pupils, safety must be a prime consideration. It would not be appropriate for children to be involved with plugging electrical apparatus into the mains unless they were directly supervised, for example. Children doing jobs/tasks must be directly supervised by the teacher.
- Children should not be left in classrooms or communal areas during normal break times without appropriate adult supervision.
- All children have a duty to leave the building promptly during break-times and should be aware that once they have left the building they should not return unless it is to go to the toilet.
- Children who are expected to stay in to finish work are the responsibility of the teacher requesting them to do so and they must be supervised.

Staff will:

- Supervise the children in their care all the time.
- Dismiss their class to the playground and check that supervisory staff are present before leaving the area.
- If it is deemed inadvisable for a child to be on the playground during break times because of their-behaviour, the class teacher will make the decision on whether the child should remain inside under the supervision of a member of staff and where they will be supervised.
- Ensure that toilet areas are adequately supervised during break and lunchtimes, ensuring pupils are returning to the playground as soon as possible.
- Once the bell has been rung, we expect children to enter school in the appropriate manner to ensure a positive start to the next lesson. Particular attention should be paid to supervising children in congested areas and providing reasonable adjustments for children who may struggle with transition.

Members of Staff on Supervisory Duty: A rota is produced and shared indicating where staff will be located; this identifies any areas where direct supervision should be provided e.g., play equipment, the entrance back into school to access toilets etc.

- Staff must be in the playground from before break time starts and remain there until all the children are sent inside.
- Use high-vis vests or red school fleeces, to be easily identifiable and be vigilant always.
- Not indulge in protracted conversation with other members of staff.
- Deal with any incidents of behaviour and report them to the relevant member of staff. All anti-social incidents will be reported on the Arbor system by the member of staff dealing with the incident, including communication and appropriate actions.

- Report any safeguarding incidents/concerns to the DSL/Deputy DSLs immediately via My Concern.
- Must be clear about the procedures in relation to the administration of emergency medication during lunch and playtimes, including, which pupils are managing their own emergency medication e.g. inhalers and EpiPens or know which staff member/s has delegated responsibility to manage this.
- First aid is administered on the playground with trained members of staff. The first aider will either alert another member of staff to supervise their position or send the child with another child to go to the office. At lunchtimes there is adequate supervision for children to not need to go to the office. This depends on the severity of the first aid needed.

Lunchtimes

The Head teacher/Head of Schools will make the decision about whether it is a wet lunchtime and review arrangements daily in the event of any staff sickness/absence to ensure there are satisfactory levels of supervision throughout the lunch break. It is considered that these adults have a very important role within the school and the contribution they make to the management of the school, and the care and welfare of the children, is valued very highly. The Head of Schools is responsible for the management, training, and welfare of the supervisors in school, and reports daily to the headteacher. The playground will be supervised at lunchtime by staff wearing high-vis jackets in designated outside areas. Communication between the supervising members of staff and the school office is undertaken by using a red card system. In the event of an incident or unexpected occurrence, the headteacher will ensure additional support will be provided to assist in the situation. The Executive Headteacher/ Head of Schools can be communicated with by using the red card system.

The Role of the Staff on Duty at Lunchtime

Staff on duty at lunchtime are responsible for:

- Supervising children on the school site as required by the headteacher.
- Dealing with minor incidents and accidents following the health and safety policy.
- Are clear about the procedures in relation to the administration of emergency medication during lunch and playtimes, including, which pupils are managing their own emergency medication e.g., inhalers and EpiPens themselves or which staff member has delegated responsibility to manage this.
- Organising activities for the children during wet lunch breaks-see wet break rotas; staff must not leave their designated areas.
- Over-seeing children's care and welfare during the lunch break, especially in the playground.
- Undertaking training as required.
- Report any safeguarding incidents/concerns to the DSL/DDSL as soon as possible via the agreed systems.

General organisation

Each member of staff on duty at lunchtime has a specific role to play within the general organisation and is given a specific schedule to follow. The tasks are timetabled; staff **must** keep to the schedule.

General duties

Members of staff on duty at lunchtime are responsible for:

- Supervising children eating their lunch.
- Managing the children's behaviour, including orderly queuing.
- Monitoring the playground, cloakrooms, and classrooms to make sure children are safe.

Supervision of Children Policy

- Making sure all children observe the behaviour policy.
- Ensuring the dining hall is cleared up after use.
- Assisting children with their meals as necessary.
- First aid is administered on the playground with trained members of staff. The first aider will either alert another member of staff to supervise their position or send the child with another child to go to the office. At lunchtimes there is adequate supervision for children to not need to go to the office. This depends on the severity of the first aid needed.

Guidelines

- Do not stay in one place for any length of time (within your designated area).
- Make sure you supervise the areas of the school building for which you are responsible.
- Inform the Headteacher /DSL if you become aware of an area which you believe requires additional vigilance or falls outside of sightlines in terms of supervision.
- Do not stand talking to other staff or spend a long time with one group of children.
- Follow the school's behaviour policy.
- Aggressive play, bullying or concerns should be reported to the class teacher and/or SLT.
- Record all accidents in the minor injuries record and seek help if the accident is a cause for concern.
- Read the health and safety policy for advice.
- Watch the games the children are playing, but do not get too absorbed, as it might distract you from what is going on elsewhere-be vigilant.
- Do not let children spend all their time with you, as it can prevent them from mixing with other children.
- Avoid playing games with the children after you have initiated them; encourage play between them to facilitate a high level of supervision.

- Avoid questions to children that could be interpreted as ‘prying’ into family matters.
- Pass all lunchtime issues to appropriate staff e.g., class teacher/DSL.
- Treat the children fairly, equally and with respect.
- Be vigilant of groups of mixed-age children; pay attention, particularly, to EYFS/KS1 pupils.
- Be vigilant of pupils with complex special educational needs and disabilities/behavioural needs. This may include having an awareness of what measures should be implemented in response to specific behavioural incidents to ensure the safety of others and appropriate support for the individual pupil. For some pupils, specific strategies will be included in an individual behaviour support plan.

After school

The school gates will be opened at 3.10pm and the hall doors/gates for all classes will open at 3.15pm. The class teachers will escort the children to the identified gates/doors and ensure that they are met and collected by an appropriate person unless they have permission to walk home (Years 6 only). The class teacher should use the home time collection list provided by the office. Where a child has said they have permission to walk home but this has not been confirmed, advice needs to be sought before the pupil is allowed to leave the school site.

Staff **MUST NOT** release children to persons that are not known to them, and parents/carers must communicate any alternative arrangements to the school if they wish their children to be collected by another named person.

Children should never wait outside for lifts or taxis. They should be collected from the reception area. Children using the minibus provided for transport to and from school, will be accompanied to the bus by a designated member of staff at the end of each school day.

Supervision of Children Policy

Children, which includes pupils and their siblings, must behave in a way that respects the adults and smaller children on the playground at the end of the school day.

Safeguarding - After School Provision

- The school and Club leaders will ensure that a clear procedure is in place for the transition of children from school to after school provision and that this is known and understood by all.
- It is the school's responsibility to ensure third party providers are prepared to adopt the school's policies. All providers will be informed of the systems, procedures, and expectations for safeguarding.
- It is the responsibility of the provider to contact SPOA / the Head Teacher/ Designated Safeguarding Lead (DSL) in the event of a safeguarding incident / concern e.g., child disclosure.
- All club leaders will have a current DBS certificate. The school will make clear to third party providers what is expected of them in terms of a safe working practice with children and young people and record that they have done this. All club leaders are given a copy of the document 'Keeping Children Safe in Education' (DfE - 2024).
- Insurance: All third-party providers offering activities provide a copy of their public liability insurance and their employer liability insurance as appropriate.
- It is important that the school ensures that they have written confirmation from third party providers that their staff have been safely recruited.

Club Expectations

All club leaders ensure that every term there is a reminder about the procedures in case of a fire, rules for moving around the school building, arrangements for going to the toilet, expectations of behaviour, and changing arrangements. Registers of attendance must be taken at the start of each session.

Special Arrangements

Upon the completion of after school clubs, sporting occasions or off-site activities that have been planned to finish after the end of the school day, parents/carers are asked to collect their children from the hall entrance. Staff will ensure that children are only released to a known person unless prior permission has been given to either walk home alone (Year 6 only) or be collected by another named person.

Activities Off-site

During all class trips/ activities off-site staff have a heightened responsibility for supervision and must always follow procedures and risk assessments.

All Other Times

Parents/carers must be aware that the school will **not** provide supervision for children in the playground outside these times, including open days, parents' evenings, and parent events. The children will be the supervisory responsibility of the parents/carer at all other times other than those stated in this policy.

Appendix B

A letter which is used to gather the collection arrangements for the children.

Dear parents/carers,

At Laughton Community Primary School we regard the security and the safety of children and adults as a priority. Children will only be allowed to leave the school with a parent/carer, or someone authorised by their parents/carers, unless they are in Years 5 and 6 when they can walk home provided you give permission. It is vital that collection details are clarified, and emergency contacts are correct, as we may need to contact you urgently. Please could you complete the attached form and return it to school as soon as possible.

We realise that there will always be days when your normal arrangements are not possible - we just ask that you ring into reception as early as possible to inform us, so that we can let your child's class teacher know.

Please collect your child promptly. If you, or the person collecting your child, are going to be late please telephone to inform us. If you are late your child will be directed to wait in the library, this ensures that they are with an adult.

You may also note if there is anyone who you DO NOT want your child collected by. If you would like to discuss a difficult situation, please either speak to your child's class teacher or call the school to arrange an appointment with the headteacher.

Thank you for your support and we appreciate your patience in this.

Yours faithfully,

Designated Safeguarding Lead
