Parents'/Legal Guardians' Consent to Take and Use Images of Pupils

Key Policy Points:

- Laughton Community Primary School recognises that a balance between the low risk of misuse and the numerous positive results of colourful, well produced school material is necessary.
- The school will only take and use images (photographs, videos and DVDs) that are appropriate and are considered to be safe from misuse.
- Children will be made aware of why their pictures are being taken and how they will be used.
- The school will take extra precautions to ensure that only appropriate images are used for the website.
- If it is found that a camera phone has been misused the school will follow its usual disciplinary procedures.
- If an image of a child is used, the child's name **will not** be published. If a name is published, **no image will be used** without specific consent.
- Parents and legal guardians will be asked to sign an agreement that any images they take during school activities will not be used inappropriately.
