#### ECO GROUP

As we enter the final phase of the summer term it is time for our last Eco update this academic year and also next Wednesday the last time the Eco Warriors of this year will meet. We are planning a little celebration for all their hard work so we hope all of them can make it! They have been really enthusiastic, productive and energetic in their duties and have been a credit to Laughton! We cannot underestimate the difference they have made and the pleasure we have had with working with them. We will be looking early next year at recruiting another group of Eco Warriors to take over and carry on all their hard work!

In my final Eco awards this academic year choosing the Eco Star Awards was easy! So for being absolutely fabulous Eco Warriors Eco Star Awards go to:

Jack                  Wini                  Josh                  Genevieve                  Louis  
Ava                  Rose                  Sam

And also Eco Ernie is proud of all they have achieved and as a special honour Eco Ernie is this time awarded to the Eco Warrior Group! Well done!

Mr Herdman

### REPORTS

We hope you found your child's end of year report helpful in showing where they are within their national curriculum age and what their next steps are. Thank you to all those that have returned the response slip to say you have received it, if you have not done this please can you return it asap. Thank you.

### LEAVERS

We say goodbye to our fantastic Year 6 tomorrow and wish them all the best in their futures. They have learnt so much in their time here and are looking forward to the next stage of their education. We wish them the very best in the next stage of their education and are so proud of everything they have achieved in their time with us. They gave a lovely assembly this afternoon sharing their memories from their start in Reception to Yr 6.

### STAFFING

We are saying a sad farewell to Mrs Goldsmith at the end of this term. Mrs Goldsmith has been a TA and MSA for the last 6 years with us and all the children have benefited from her kind and caring nature. She has worked across all the classes and helped children with interventions, booster groups and whole class lessons. We have also benefitted greatly from her artistic skills and wish her all the best in the future and thank her for everything she has done for us at Laughton.

### LION KING KIDS

We had 3 fantastic performances of Lion King Kids over the weekend. It was truly spectacular and this was down to the confidence and commitment of the children in their singing, dancing and acting and the tremendous effort from all the parents and helpers involved. This project was a gift to the school from those with professional experience in the entertainment world. We are incredibly grateful to all the time they gave in making it such a success. The closing date for the DVD and photos is tomorrow (20.07.17) forms are in the office.

### PARTNERSHIP

We are hoping to plan more projects for the children to work together next year, one already planned is for Laughton to take part in the leavers Patina with Firle. Both schools will be doing the same topic themes so that resources and skills set can be shared.

### LSA

I would like to take this opportunity to thank the LSA for their amazing support and help this year in planning events for the children and families and for the huge amount they raise to help us offer more opportunities to the children. There was a fabulous LSA AGM on Monday night where new members were elected and everyone celebrated the success of the Lion King. We hope that some of our new parents in September will join the committee too. We are still without a Chair for next year and would welcome anyone coming forward to fill this role either on their own or as a job share, even on a temporary basis! Please let Alistair or myself know if you could help. Thank you

Kind Regards
