

Statement of Intent

We are committed to providing a caring, friendly and safe environment for all of our pupils so they can learn in a relaxed and secure atmosphere. Bullying of any kind is unacceptable at our school. If bullying does occur, all pupils should be able to tell and know that incidents will be dealt with promptly and effectively. We are a **TELLING** school. This means that *anyone* who knows that bullying is happening is expected to tell the staff.

What Is Bullying?

Bullying is the use of aggression with the intention of hurting another person. Bullying results in pain and distress to the victim. Bullying usually happens over a period of time. Unkind behaviour that is not continuous, is not bullying, but will still be dealt with.

Bullying can be:

- Emotional being unfriendly, excluding, tormenting (e.g. hiding books, threatening gestures)
- Physical pushing, kicking, hitting, punching or any use of violence
- Racist racial taunts, graffiti, gestures
- Sexual unwanted physical contact or sexually abusive comments
- Homophobic because of, or focussing on the issue of sexuality
- Verbal name-calling, sarcasm, spreading rumours, teasing
- Cyber All areas of internet such as email & internet chat room misuse
Mobile threats by text messaging & calls
Misuse of associated technology, i.e. camera & video facilities

Why is it Important to Respond to Bullying?

Bullying hurts. No one deserves to be a victim of bullying. Everybody has the right to be treated with respect. Pupils who are bullying need to learn different ways of behaving.

Objectives of this Policy

- All governors, teaching and non-teaching staff, pupils and parents should have an understanding of what bullying is.
