### E SAFETY PARENT WORKSHOP

We have arranged a parent workshop on e-safety on Tuesday 28<sup>th</sup> March at 8:45 a.m. It will be held in the hall and should last up to an hour. This is open to parents of preschool too and Laughton Pre-school will allow you to drop your child off at the earlier time of 8:45 so that you can attend the meeting.

Internet safety is a growing concern and whilst some of your children may not use it much at the moment the session will help provide you with information on how to protect your child when using the internet and what to look out for.

### PARTNERSHIP

Staff met this week to develop their understanding and equip themselves with new resources for mastery and deep level thinking in maths.

Children in Jungle class are working on some shared planning where the children will share each other's work and respond to it.

### LAUGHTON'S GOT TALENT

Over the last two days we have been entertained by all the children taking part in the heats for this year's Laughton's Got Talent. They showed us a range of different talents and we could see the huge amount of effort they had put in to their Acts. We are very proud of everyone who took part. A big well done to all of them. Thank you too to all the teachers, staff and LSA members who helped to decide which of the Acts to take through to the final. It was certainly not an easy decision!

The final takes place on Saturday 18 March at 6pm. Tickets will go on sale soon costing £5 for adults and £3 for children. Places are limited and this event has sold out for the past two years, so please do remember to buy your tickets early. You won't want to miss this memorable evening!

The children will be told which of the acts have got through to the final, during morning assembly on Monday.

### NUT FREE SCHOOL

Please can I remind you that we are a nut free school and do have children with specific allergies at Laughton. We have found an increasing number of children having products such as cereal bars containing nuts in packed lunches. Please ensure that your child doesn't bring sandwiches or foods into school that contain nuts - thank you.
