

Laughton Community Primary School

2015-2016

Learning to Live and Work Together

**Laughton
Community Primary School**
Learning to Live and Work Together

A Welcome from the Head teacher

Thank you for showing an interest in our school. I hope that this booklet helps inform you of what life is like in our school, but please do make a visit to come and see it in action before making your choice.

Choosing a school for your child is a very important decision and you need to get a good feel for a place before making that choice.

We are very proud of our school and strive to ensure that our children become confident individuals who experience success. Our recent Ofsted report states that 'Pupils demonstrate positive attitudes towards learning and increasingly high expectations of themselves. Their behaviour is good. Pupils feel safe and well cared for in school.' We are now working towards becoming an Outstanding School.

Our main aim is for the children to become confident individuals who experience success and enjoy coming to school.

At Laughton CP School we believe in the concept of lifelong learning and the idea that both adults and children learn new things every day. We maintain that learning should be a rewarding and enjoyable experience for everyone; it should be fun. Through our teaching we equip children with the skills, knowledge and understanding necessary to be able to make choices about the important things in their lives.

We are developing a 'Growth Mindset' approach to learning. The children are taught about how we learn and how important learning habits such as imagination, discipline, curiosity, resilience and working in collaboration with others are to their learning.

I hope that you enjoy finding out more about us, please ask if there is any more information you need. You can also follow this link to our new website www.laughtonschool.co.uk

Rachel West
Head teacher

A Welcome from the Chair of Governors

Laughton Community Primary School is a vibrant school, where staff, governors and parents are committed to providing the best education to our children that we can.

By the "best" education, we mean an environment in which children

- Love learning
- Co-operate well with each other
- Become well rounded people
- Absorb the skills and knowledge necessary for successful lives

As a governing body, we are responsible for monitoring the school's objectives and its progress.

We have no hesitation in recommending our school to you for its enthusiastic and caring staff, and for the quality of its leadership under its experienced and dedicated Headteacher, Rachel West.

We hope that you are able to come round to see our school in action, and that you will also want to join us.

Denise Kong (Chair)
On behalf of the Governing Body

Introduction

The information contained in this prospectus is intended to give you an insight into our school and how it is organised. Naturally, all schools evolve and develop over the years but the school ethos remains the same.

Our Shared Vision at Laughton CP School

To promote a lively and happy atmosphere for all: ensuring a secure learning environment for each child to become a confident, caring and independent pupil. For everyone to be challenged and supported to fulfil their potential in all areas of learning.

Children learn best when:

- They feel happy, secure, confident and valued
- Their surroundings are lively and interesting to them
- They have access to a range of suitable resources
- They have time to think and talk about their experiences
- They have opportunities for practical, relevant exploration of ideas
- They feel they are making progress
- They are able to work together as well as on their own
- They know what is expected of them
- Work is matched to their individual needs.

We aim to help children reach their full potential in a happy, secure environment. With skilled, caring teachers and an attractive setting in the heart of the Sussex countryside, we aim to provide an atmosphere that will encourage all-round development, stimulating the children's natural curiosity and giving them a sound foundation for the next stage of their school career.

If you would like to come and visit our school, meet the teachers and see the children at work, please feel free to contact the Office Manager (Mrs Miller), who will be delighted to make an appointment. We also have open afternoon sessions on 8th December 2014 and 8th January 2015 from 2.00p.m.

Laughton School Council

We try and make our school the best place to be. We

We've raised money for charity and help with interviews

We feel valued and listened to. Our opinions matter.

We are a voice for each class and year group.

Representatives

A committee of pupils (Reception– Year 6), voted in each year by their peers, take responsibility for some aspects of school life (e.g. playtime routines, organisation, interviews). They have a say in spending a small part of the school budget, help run events and decide which charities to support through fund raising, they also play an active part in informing and discussing school issues. The School Council is facilitated by Mrs West.

The school also has a Pupil Think Tank which is run by three of our governors. It is a small group of children from Key Stage 2 who meet termly and obtain views from pupils to take forward ideas and areas for the School Council to focus on. This group remains the same each year and introduces new members as children leave for secondary school. It measures the impact of change on the children in the school.

The School

Laughton Community Primary School is situated in the heart of the Sussex countryside between Ringmer and Hailsham. The original building is over 130 years old, though extensions have been added. The school backs on to the village recreation area, which is available to us for lessons and playtimes whenever the weather permits.

The Community Sports Hall was built on the school site and opened in February 1998. This wonderful facility serves as a school hall in term time and is a great asset being available for after-school activities as well as for private lettings for the community, clubs and families. Close by are the Village Hall and the Parish Church, with which we have close links.

There are 2 playgrounds at the back of the school and a garden area that is tended by the children, staff and volunteers.

There are four classrooms, each with outside access. We have a computerised library and a 'Learning Loft' which has recently been developed to provide an interactive learning environment for the children.

Laughton Community Primary School is the Lead School for the Ringmer Alliance. We work closely with RCC, Ringmer, Blackboys, Framfield, East Hoathly, Chiddingly, Alfriston and Firle Primary Schools on shared objectives and support in learning and teaching. We are committed to providing opportunities for the children in our Alliance so that they can gain valuable experiences in their learning and become confident and successful individuals.

Admissions Policy

The East Sussex County Council admission process is set out in "Applying for a School 2015-2016". The County Council is responsible for admitting children into the reception year: children may be admitted at the beginning of the school year in which they will reach the age of five. It has been agreed that 15 Reception places will be available at Laughton in September 2016. Entry into other years is subject to a place being available in the appropriate class and a decision is made in consultation the Head teacher to discuss admissions and to come and look around the school with their son or daughter at a time that is mutually convenient. All admissions for the Reception year are decided directly by the Local Authority. (Phone County Hall: 01273 481000) <http://www.eastsussex.gov.uk/educationandlearning/schools/findingaschool>

Most children in the area attend a playgroup or nursery school prior to joining us, and some will have been to the Ripe and Laughton Pre-school, which meets in the Village Hall or Ripe Nursery School. In the summer term, the pre-admission group visits the school for at least 3 half-day sessions, so that the children know their way around well before joining us and have begun to establish positive relationships with their peer group and the school staff. This provides an ideal introduction to primary school, but you might like to ensure that before joining, your child can:

- Use the toilet independently
- Dress and undress themselves
- Recognise their name
- Hold a pencil or paint brush
- Use a knife, fork and spoon.

Parents and pupils receive a welcome pack that explains the routines of the day and the organisation of the curriculum. Please also read our 'Early Years Policy' document which explains our ethos and organisation for you and your child, in Reception. Order forms for school uniform are also included as well as school dinner menus.

The first year is spent in Reception; then they move on to Year 1, Year 2 and so on until they complete Year 6 prior to transfer to their next school. At the end of Year 6, most of our children move on to Ringmer Community College which is an Academy. We have regular liaison meetings and other contact to ensure a smooth transfer to Key Stage 3. Pupils also have opportunities to use other resources at the college, suitable for the primary curriculum and take part in workshops and master classes for mathematics, science and design technology, attended with pupils from other local primary schools.

Organisation

Our classes or learning zones are currently organised as follows:

	Learning Zones	Class teachers
	UNDERWATER Foundation Stage: Reception and Year 1	Mrs Budd
	BUGS Key Stage 1: Years 1 & 2	Mrs Brown
	HIGH PEAKS Key Stage 2 (lower) Years 3 & 4	Mrs Dann
	JUNGLE Key Stage 2 (upper) Years 5 & 6	Ms Blood (M, W, Th, Fr) Mrs Wells (Tuesday)
Inclusion Manager (Special Educational Needs and Gifted & Talented provision)	ALL PUPILS	Mrs Levey (Thursday)

Each teacher has 10% of their teaching time as PPA (planning, preparation and assessment). We cover this time out of class with Mrs Wells and a specialist sports coach Mr Rogers.

Our Teaching Assistants are class based. They are Mrs Durrant (Underwater), Mrs Goldsmith (Bugs), Mrs Pratt (High Peaks) and Mrs Rieman (Jungle).

Office Manager	Mrs Miller
Caretaker	Mr Herdman
Kitchen Supervisor	Mrs Hunnisett
Kitchen Assistant	Mrs French

Our Reception children follow an Early Years programme in line with East Sussex and DFES guidelines. Very careful records of the children's work and progress are kept. During the Reception year children will be taught and assessed following the seven areas of learning: Personal, Social and Emotional Development; Communication and Language, Literacy; Mathematics; Understanding of the World; Physical Development; Expressive Art and Design.

<http://www.eastsussex.gov.uk/educationandlearning/schools/helpingyourchild/subjects/foundation/default.htm>

Parents will be invited to attend more informal working mornings or afternoons to see their children at work and play in school, as well as more formal parents' consultation meetings in the Autumn and Spring Term.

The EYFS environment is organised to help pupils to develop their learning and social skills in a safe, structured and stimulating indoor and outdoor classroom environment. Pupils also have access to a dedicated, covered outside play area for structured play using a variety of larger equipment. There is also a lovely garden area which the pupils tend.

Pupils in years 1 & 2 follow the National Curriculum for Key Stage 1 and pupils in years 3 to 6 follow the curriculum for Key Stage 2. Subjects and topics are linked to develop pupils' understanding and interests whilst developing key skills in all areas of the curriculum.

All staff participate each year in training courses in order to further develop their knowledge and skills in all areas of the curriculum. Staff are trained in basic First Aid and Mrs West, Mrs Miller and Ms Blood are the registered "First Aiders at Work", Mrs Durrant and Mrs Miller are registered Paediatric First Aiders and Mrs West is the School's Child Protection Officer.

Parents' Open Sessions & Consultations are held in the Autumn and Spring terms, though parents are welcome to discuss children's work at any time and attend informal 'pupils at work sessions'. Annual written reports are issued in the Summer Term.

Dates, Sessions and Teaching Times

Dates of terms for the school year 2015-2016

(<http://www.eastsussex.gov.uk/educationandlearning/schools/termdates/default.htm>)

September 2015 to August 2016

Term	Start date	End date
Summer school holiday (East Sussex)	Thursday 23 July 2015	Tuesday 1 September 2015
School INSET day (East Sussex)	Wednesday 2 September 2015	
School Term 1 (East Sussex)	Thursday 3 September 2015	Friday 23 October 2015
Autumn school holiday (East Sussex)	Monday 26 October 2015	Friday 30 October 2015
School Term 2 (East Sussex)	Monday 2 November 2015	Friday 18 December 2015
Christmas school holiday (East Sussex)	Monday 21 December 2015	Monday 4 January 2016
School Term 3 (East Sussex)	Tuesday 5 January 2016	Friday 12 February 2016
February school holiday (East Sussex)	Monday 15 February 2016	Friday 19 February 2016
School Term 4 (East Sussex)	Monday 22 February 2016	Thursday 24 March 2016
Spring school holiday (East Sussex)	Friday 25 March 2016	Friday 8 April 2016
School Term 5 (East Sussex)	Monday 11 April 2016	Friday 27 May 2016
May school holiday (East Sussex)	Monday 30 May 2016	Friday 3 June 2016
School Term 6 (East Sussex)	Monday 6 June 2016	Friday 22 July 2016

STAFF TRAINING DAYS: (additional holiday for pupils)

There are 4 additional staff training days during the academic year and we will keep parents fully informed each year of the dates (giving 2 terms notice, where possible)

School sessions are as follows:

8.45am – 12.10noon (Foundation and Key Stage 1: year R to year 2)

8.45am - 12.20pm (Key Stage 2: year 3 to year 6)

1.15pm - 3.00pm (Foundation and Key Stage 1: year R to year 2)

1.15pm - 3.00pm (Key Stage 2: year 3 to year 6)

A staff member will be on duty in the playground from 8.30 a.m. Please avoid sending your child earlier as we cannot accept responsibility before that time.

Pupils in Foundation Stage and Key Stage 1 enjoy a 15 minute break in the morning and the afternoon which is fully supervised by two members of staff. Duty staff wear a red fleece for easy identification or high visibility vest. Pupils should bring in a named filled water bottle and fresh fruit is provided for pupils in Foundation Stage and Key Stage 1 to eat at morning breaktime. Pupils in Key Stage 2 have a 15 minute break in the morning with the younger pupils; pupils should bring in water and healthy snack e.g cereal bar, fruit etc.

Pupils may have milk at playtimes if you order through the school milk scheme. Please contact the office for further details.

Actual teaching times per week (excluding the daily act of collective worship, registration time and breaks):

Key Stage 2	23 hours 55 minutes
Foundation Stage & Key Stage 1	21 hours 15 minutes

Please ensure that your child knows the arrangements for picking him/her up from school at 3.00 p.m., particularly when for any reasons the usual arrangements are altered. A brief note in your child's homework diary to the teacher concerned or telephone call or email to the office will help to avoid confusion or even distress at the end of the afternoon. If your child is absent from school, please let us know the reason by telephone on the first morning of absence before 8.45am and each subsequent day, any unexplained absence will be recorded as unauthorised. Parents are asked to adhere to the school and County policy by not withdrawing their children from school for holidays during term time. Please see our Attendance Policy on the school website. The fine for taking your child on holiday (5 consecutive days or more) during school term time is £60 per child per parent. We do not authorise any holiday in term time unless there is an exceptional circumstance.

The Curriculum

We plan our curriculum using a topic based cross curricular approach. The children in KS2 work on a 4 year cycle and the children in KS1 and EYFS work on a 3 year cycle. Teachers plan together to share ideas and find opportunities to develop a skills based approach to learning. The topics cover a wide range of themes and trips and visits are used to provide memorable experiences that support the childrens learning. We follow the New National Curriculum that we have integrated into our cross curricular skills based learning curriculum.

Reading and Language Development

A large part of each school day is given over to developing literacy skills in both a dedicated literacy session and through cross-curricular topic opportunities. The ability to read fluently is clearly central to all learning, and in teaching children to read our aim is to help them realise that

books can be a source of both further learning and immense pleasure. We have a whole school daily phonics and guided reading time to ensure children's needs are met.

We encourage children in Reception to develop reading skills from the very beginning. Regular sharing of books with your child will further stimulate and develop their lifelong love of reading and literature.

The ability to communicate clearly, both orally and in written English, is of utmost importance, and so too we feel is the careful presentation of written work. Children are encouraged to write imaginatively, while at the same time heeding the necessity for accurate spelling and use of punctuation. Writing tasks are linked to real events and other areas of the curriculum.

Mathematics

Our aim in teaching mathematics is to develop the children's understanding and competence in the handling of numbers and the basic arithmetic operations in such a way that they may know when and how to apply them in order to solve problems. In addition to this arithmetic work we gradually introduce children to the basic ideas relating to algebra and geometry. We are also convinced that thorough knowledge of multiplication tables is indispensable. Children are encouraged to develop their investigative skills through problem-

solving activities and make use of a range of practical apparatus to help support their conceptual mathematical understanding. The children experience a range of 'Real life maths' activities to put their learning into context.

Science

Science is taught from Reception (through Knowledge and Understanding of the World) onwards, in line with the requirements of the National Curriculum which ensures a broad and balanced coverage of all areas of science with a special emphasis on investigative work and activities. Links with Ringmer Community College enable pupils to benefit from use of additional resources and opportunities.

History and Geography

The History and Geography curriculum is organised through topics and the development of skills which follow a progression throughout the year. Areas of study include Ancient Egypt, Hot and Cold Lands, Water and exploration of artifacts. The children are encouraged to be 'real historians' through investigative work.

Art

Children are encouraged to use a variety of media and techniques. They study the use of colour, line, shape, tone and observational drawing to develop their artistic skills and their appreciation of artists' work. Art is also used to supplement and complement work in other areas of the

curriculum. We have received the Artsmark award for the opportunities we offer and the links we make with the local community in the Arts. Each year we have an Arts Week to celebrate the creative arts and experience new methods and resources. We also create a collaborative piece which every child contributes to each year.

Music

Pupils follow a programme of music developing their understanding and use of rhythm and pitch, and appreciation of music from around the world and from different periods.

The children are encouraged to play a full part in the musical life of the school, participating in singing, creative music-making and musical appreciation. Pupils in years 3 and 4 learn to play the recorder, and we regularly take part in singing festivals organised through the Local

Authority, giving pupils the opportunity to perform with other schools in venues such as The Connaught Theatre in Eastbourne and Glyndebourne. We use various instruments in assemblies and encourage children to play any instruments they have studied outside school.

Violin and cello lessons are available for children during school hours: a charge is made for these lessons in line with the East Sussex guidelines (see Appendix B). We also offer lessons in drumming, guitar and piano with the Sussex Academy of Music (SAM).

We provide Community Concerts at Christmas and in the summer term and take part in the Villages Music Festival.

PE and Sport

PE and sports are an essential part of the curriculum and also feature as extracurricular activities. We aim to develop children's enjoyment, confidence and skill in physical activity and to introduce them to the pleasures of sport. All children are encouraged to develop and perform to their full potential. Competitive sport and team games are played, with a strong emphasis on sportsmanship. The formal PE curriculum includes lessons in gymnastics, dance and athletics for each class. We have a Sports coach who

takes a weekly session of P.E with all the children.

For older children the summer games will include rounders, stoolball and cricket. Children in year 3 also attend swimming lessons at Ringmer Community College in order to meet National Standards.

The School has been awarded the Activemark by Sport England for commitment and dedication to PE and Sport.

There are a range of after-school clubs, linked to the interests and skills of the staff and coaches available, including: football, tag rugby, cross country, multi skills, striking and fielding and athletics. These run from 3.00 – 4.00 p.m. We also take part in a range of local tournaments through our local Sports Partnership. Laughton Cricket Club organise coaching in the summer for all local children. Many of the children at the school play football at Ringmer in the evenings and at weekends for Ringmer Rovers and Lewes and Heathfield Rugby Clubs have thriving junior sections which pupils attend.

Community activities include: badminton, pilates and indoor bowls.

Religious Education

Each school day includes an act of collective worship. Religious Education is based upon the East Sussex Education Authority's Agreed Syllabus as established by the Standing Advisory Council for RE in 1993. The syllabus is Christian and non- denominational but recognises other spiritual beliefs. If parents do not wish their child to take part in collective worship or to be taught the agreed syllabus, they should inform the Head teacher by letter so that suitable alternative arrangements can be made.

Personal, Social & Health Education (PSHEe)

Health Education is an important aspect of the curriculum. Topics covered include food, personal hygiene, safety at play and in the home. Sex education, as an integral part of this subject and the science curriculum, is taught throughout the school, with parents being informed prior to screening of films, videos etc., as appropriate with regular guidance from the PSHE Advisory Team. Pupils and staff are encouraged to adopt healthy lifestyles, including drinking water, eating healthily and taking regular exercise.

PSHE is part of the curriculum for all pupils, providing them with the opportunities to prepare for life, encouraging pupils to make informed decisions and providing a forum for discussion and debate about a range of issues and citizenship.

Computing

This is an area we are currently developing. Throughout the school, children use laptops, I pads, digital media and control mechanisms to support and develop their learning. Computing is an integral part of the curriculum and is evident in every class's daily learning. We have a wide variety of software which supports the curriculum from Reception to year 6.

The school has it's own website and virtual learning site where parents can gain information and children can store their work to share at home. This can be found at www.laughtonschool.co.uk

This is especially effective in stimulating pupil discussion and investigation linked to their learning, through forums and wikis. An essential part of developing children's understanding is ensuring that all pupils have safe access to technology and therefore e-safety is taught and explored by all pupils, appropriate to their age.

Pupils also undertake design technology work from an early stage. They design, make and test various models and machines, using a variety of materials and carry out focused practical tasks and disassemble and evaluate design and technology.

Curriculum Policies

All policies are available for inspection in the School office and a majority are on the school website. All policies are regularly reviewed and updated by the staff and the Governing Body. Please see our school website in the information section for the most recently reviewed policies

Home/School Agreement

In line with the Government's requirements the school now issues a Home School Agreement which parents, pupil and class teachers sign. The agreement has many purposes but primarily it is to help everyone do the best they can for your child and the school; it underlines the partnership

between home and school and the importance of working together to help support your child's learning and development.

There is a Homework Policy which sets out the homework requirements for each age group. The school also uses Homework Diaries/Reading Logs for the children's homework to be recorded in; this is also an important tool for communication between home and school. The school is happy to communicate with parents by email and will send letters in either hard copy or electronically on request.

OFSTED Inspection

In November 2013 the school was inspected under the new Ofsted regulations. The school was judged as 'Good' in all areas. The few recommendations that need developing to become Outstanding are already on our School Development Plan.

Each year I invite comments from all stake holders to help prepare the next stage in the school's development. I then present the completed plan to parents for discussion.

The Ofsted Report is available in the School Office and on the Ofsted website.

[http://www.ofsted.gov.uk/oxedu_providers/full/\(urn\)/114404/\(type\)/4096/\(typename\)/Primary%20schools](http://www.ofsted.gov.uk/oxedu_providers/full/(urn)/114404/(type)/4096/(typename)/Primary%20schools)

Attendance

Attendance figures for 2013-2014:

ATTENDANCE	AUTHORISED ABSENCE	UNAUTHORISED	TOTAL ABSENCE
95.5%	3.6%	1.0%	4.6%

(These figure have been rounded up)

Please visit the school website for our Attendance Policy.

Achievement & Attainment 2013-2014

The following tables show our children's performance at the end of Key Stages 1 and 2 in the national standardised tests.

KEY STAGE 1 ASSESSMENT RESULTS 2013- 2014

SATs results (% passes at Level 2b or higher)

KSI Teacher Assessment				
Year 2 Cohort size: 15 pupils	School 2014		National 2013	
	L2B+	L3+	L2B+	L3+
Reading	93	40	76	27
Writing	87	27	64	14
Maths	93	33	76	22

KEY STAGE 2 ASSESSMENT RESULTS 2013- 2014

SATs results (% passes at Level 4 or higher)				
Year 6 Cohort size: 17 pupils	School 2014		National 2013	
	Level 4+	Level 5+	Level 4+	Level 5
Reading	100	76	86	45
Grammar, Spelling and Punctuation	76	53	69	48
Writing	82	29.4	83	30
Mathematics	82	35	85	41

We are very proud of all our children's achievements and work hard in partnership with parents to help all pupils to 'be the best that they can be'.

School Visits

We consider it very important to use the environment to enhance classroom work. Children often visit appropriate sites as part of their work across the curriculum. We ask all parents to sign a permission form so that we can use the local area when it benefits learning. You will always be informed of when your child will be going off the premises for these activities.

A residential visit takes place for children in Years 5 and 6 to enhance and generate classroom work across a range of curriculum areas including ICT and PE. Risk Assessments and

pre-visits by staff are an essential part of planning for visits and trips. For details of the County Council's charging and remissions policy in respect of school visits, please see Appendix B.

Extra Curricular Activities

Clubs are organised by staff and independent bodies and represent current interests of staff and pupils which may vary from time to time. There is a range of sport and creative arts clubs as well as cooking and ICT. Information is available through the school office and newsletters. We have established a tradition of tournaments with the local partnership of primary schools in the locality to develop team skills and competitive sport.

The Mohair Centre also collects children each day from school for extended child care.

Complaints Procedure

It is the duty of the Governing Body and the Local Education Authority to establish a complaints procedure covering many different aspects of school life. Governors take responsibility for monitoring the nature of complaints that are made. A copy of this document is available for inspection by parents.

Children with Special Needs

In a small school it is relatively easy to keep a very close eye on individual progress. Standardised tests are used at specific stages as required and small step targets are set as appropriate. The Inclusion Manager, Ms Levey, monitors the progress of children with special needs in liaison with the Class Teachers, Headteacher, Teaching Assistants and outside agencies.

Schools have a responsibility to provide a broad and balanced curriculum for all pupils. This statutory inclusion statement sets out three principles for developing an inclusive curriculum which provides all pupils with relevant and challenging learning.

At Loughton CP School we will:

- set suitable learning challenges
- respond to pupils' diverse learning needs
- overcome potential barriers to learning and assessment for individuals and groups of pupils.

All members of teaching and non-teaching staff undertake regular training to update their skills, knowledge and understanding of Special Needs. The SENCO can be contacted via any of the staff or the school office (office@loughton.e-sussex.sch.uk).

Where there are obvious signs of specific difficulties, or special abilities, children are given appropriate tuition, either individually or in small groups. If it becomes necessary to seek the support of outside agencies, the matter is always discussed with parents and their prior permission sought. Staff will always work in partnership with parents and pupils for the needs of each pupil in their care.

Children with Special Abilities

As well as helping children with specific difficulties we believe in extending and challenging pupils of all abilities, including those who show a marked aptitude, therefore we also assess and identify pupils for additional support to extend and challenge them. Ms Levey is designated the school's Gifted and Talented co-ordinator. When the children are in Year 5 they also have the opportunity to attend master classes in specific subject areas at Ringmer Community College.

Child Protection

Parents should be aware that the school will take all reasonable action to ensure the safety of its pupils. In cases where the school has reason to be concerned that a child may be subject to ill treatment, neglect, or other forms of abuse, staff have no alternative but to follow the Local Authority Child Protection Procedures and School Child Protection Policy and take appropriate steps, which may include informing the Social Services Department of their concerns. Mrs West (Headteacher) is responsible for Child Protection issues in the school.

School Discipline

Great importance is attached to high standards of personal behaviour. Rules are simple and are concerned principally with safety and the development of good manners and courtesy between

both pupils and staff. We prefer to encourage rather than to punish, and punishment usually takes the form of loss of privilege and taking time with pupils to try to determine reasons behind different behaviours in order to modify inappropriate behaviour. If any child's behaviour is a serious cause of concern we contact the parents immediately. We ask that all parents work in partnership with the school to support the school's Behaviour Policy.

The Laughton Code for Life underpins and supports behaviour in school to support all pupils and staff, this is outlined in the Home School Agreement.

We operate a variety of rewards systems to encourage pupils as learners in the school community, including Golden Time, certificates, stickers and pupil points and class marble jars. Please read the school's Behaviour Policy on our website for further details.

Playground Pals

The Playground Pals were formed following the suggestion of pupils during the school's Annual Anti-Bullying Week. Pupils apply to take on this responsibility and receive regular support and training from staff. They work to help pupils to engage positively with each other during breaktimes and lunchtimes and encourage good play and communication activities

School Uniform

We like all our children to wear the school uniform listed below,

Girls	Boys
Green or white polo or white shirt (tie optional)	Green or white polo or white shirt (tie optional)
School sweatshirt/ fleece	School sweatshirt/ fleece
Green cardigan/ V neck jumper	Green V neck jumper
Grey skirt/pinafore/trousers/shorts/culotte	Grey trousers or shorts
White, black or grey socks	White, black or grey socks
Grey or green tights	Black shoes (no trainers or sandals please)
Green and white checked summer dress	
Black shoes/ boots in winter (no sandals please)	
Long hair tied back	
No jewellery except for small plain stud earrings and a watch	

Sweatshirts, cardigans, waterproof coats, tracksuits (all featuring the school logo), ties, gloves, hats and homework bags along with a good selection of 'nearly new' items are sold in the school shop run by 1 of our parents. (Details of opening times are available through the school office, website and newsletters. You can also purchase uniform through e mailing your order and sending the money into the school office)

It is essential for reasons of safety and hygiene that all children should be able to put on a complete change of clothing for any kind of PE or games activity. Children will need white shorts, school pe-shirt to match their team colour and plimsolls for PE lessons with a track suit/school fleece for use outdoors. trainers for outside P.E sessions.

Pupils may wear

We do reserve the right to forbid items of clothing, accessories, jewellery and footwear, which are liable to be dangerous or against the interests of the children at large. All clothing should be clearly named. Each term we run a uniform draw where children wearing the correct uniform are put in a draw for their class and the name pulled out wins a £2.50 WH Smith voucher, kindly funded through our LSA.

Laughton School Association

The Laughton School Association (LSA) is an organisation of parents and friends of the school. It organises many social and fund-raising events each year, and plays a very important part of school life.

Events have included: Christmas shop for pupils, Family Fun Day in partnership with the Village, 'Pop Up Boutique' and Karaoke Night.

Monies raised help to enrich pupils' experiences in school by subsidising school trips and visitors, buying specialist equipment for use by all pupils and paying towards refurbishment as

appropriate. We are grateful for the contribution that the School Association makes to school-life for pupils and parents.

Appendix A

TYPE OF SCHOOL – RURAL

INFORMATION ABOUT ADMISSIONS TO LAUGHTON C.P. SCHOOL is available from the Local Authority

The County Council makes arrangements for the admission of children to this school at age 4+. A detailed description of the arrangements is contained in the booklet 'School Admissions for 2012-2013 School Year'. A copy can be obtained from the School Admissions Section, Children's Services, PO Box 4, County Hall, St. Anne's Crescent, Lewes BN7 1SG (tel: 01273 481000).

However, parents may find it helpful to know that, if there are insufficient places available to meet demand, these will be allocated to children in accordance with the following list of priorities:-

- i. Children with strong medical or exceptional evidence which leads the Director of Children's Services to conclude that attendance at any other school would be inappropriate.
- ii. Children who will have a brother or sister at the school at the time of admission.
- iii. Children wishing to transfer between a 'linked' infant and junior school.
- iv. Children living within a predefined community area, prioritised if necessary on the basis of the shortest route from home to school using 'A', 'B' and 'C' roads.
- v. Children living outside the predetermined community area, prioritised if necessary on the basis of the shortest route from home using 'A', 'B' and 'C' roads.

The following information, reflecting the outcome of the admission arrangements at 4+ in September 2011 may give parents some idea of their chances of obtaining a place for their child at this school in September 2013.

Appendix B

EAST SUSSEX COUNTY COUNCIL – EDUCATION COMMITTEE

CHARGING AND REMISSION POLICY FOR SCHOOL ACTIVITIES PROVIDED OR ARRANGED BY LEA

- 1 This policy statement has been drawn up by East Sussex County Council in accordance with the requirement of Section 449-462 of the Education Act 1996. The policy will be effective from 1 April 1996, and applicable to all registered pupils in maintained schools and tutorial units in East Sussex.
- 2 In this policy statement:
 - ‘1996 Act’ means the Education Act 1996;
 - ‘prescribed public examination’ means any examination which is specified in Regulations made by the Secretary of State for Education and Science under the 1996 Act;
 - ‘outside school hours’ means those times treated as outside school hours following the application of the calculations contained in Section 107 of the Education Act 1996’
 - ‘statutory duties relating to the National Curriculum’ are those imposed by Section 10 (2) of the Education Act 1996;
 - ‘Statutory duties relating to religious education’ are those imposed by Section 10 (1) (b) of the Education Act 1996.
- 3 Charges may be made by the County Council to cover the cost of each of the following:-
 - a) Individual music tuition which takes place in or out of school hours and which is not provided as part of the syllabus for a prescribed public examination or to fulfil the requirements of the National Curriculum.
 - b) Activities which take place outside school hours and which are not provided as part of the syllabus for a prescribed public examination and are not required in order to fulfil statutory duties relating to the National Curriculum or to Religious Education.
 - c) Board and lodging on all types of residential visits.
 - d) Examination fees for entering pupils' examinations which are not prescribed in Regulations made under the 1996 Act.
 - e) Examination fees for entering pupils for prescribed public examinations in a syllabus other than that for which they have been prepared at the school.
 - f) Preparing pupils for non-prescribed public examinations where the preparation takes place outside school hours.
 - g) Entering pupils for re-sits of prescribed public examinations where no further preparation has been provided by the educational establishment.
 - h) Materials involved in producing a ‘finished product’ of a lesson where a parent of the pupil has indicated in advance a wish to own the product.
- 4 Remission of Charges
Remission of any charges levied by a school will normally be granted (except in the case of the finished products of practical lessons) where:-
 - a) Parents are in receipt of family credit or income support (and in the case of board and lodging the activity can be classified as taking place in school hours, and if outside school hours is provided specifically to fulfill requirements of the National Curriculum, Religious Education or a syllabus of a prescribed public examination); or
 - b) parents are in receipt of a maintenance grant and/or free transport if the pupil is aged 16+ (and where board and lodging is concerned the activity can be classified as taking place in school hours); or
 - c) The Head teacher (the County Music Advisers for individual music tuition) has recommended remission of the charges in individual cases of hardship).

Voluntary contributions

Head teachers or governing bodies may ask parents for a voluntary contribution towards the cost of:

- any activity that takes place during school hours
- school equipment
- school funds generally.

The contribution must be genuinely voluntary, though, and the pupils of parents who are unable or unwilling to contribute may not be discriminated against. Where there are not enough voluntary contributions to make the activity possible, and there is no way to make up the shortfall, then it must be cancelled.

Residential

trips

Schools are permitted to charge for the cost of board and lodging during residential school trips. This cost must not exceed the actual cost of the provision.

Where the trip takes place wholly or mainly during school hours, children whose parents are in receipt of the following support payments will, in addition to having a free school-lunch entitlement, also be entitled to the remission of these charges:

- Income Support
- Income-based Jobseeker's Allowance
- support under part VI of the Immigration and Asylum Act 1999
- Child Tax Credit, provided the parent is not entitled to Working Tax Credit and their annual income does not exceed £16 040
- Guaranteed State Pension Credit.

A similar entitlement applies where the trip takes place outside school hours but is necessary as part of the National Curriculum, or forms part of the syllabus for a prescribed examination that the school is preparing the pupil to sit, or the syllabus for religious education.

Free school meals

Free school meals are provided automatically for all children in years R,1 and 2. However you will be eligible for financial help towards your child's learning (including free school meals in years 3,4,5 and 6) if you fall into one of the following six categories:

- you receive Income Support (IS)
- you receive Income Based Job Seeker's Allowance (IBJSA)
- you receive an income related employment and support allowance that was introduced on 27 October 2008
- you are entitled to Child Tax Credit, you do not get Working Tax Credit and your family's annual income (as assessed by her Majesty's revenue and Customs) is not more than £15,575 (Financial Year 2013/14). Anyone receiving Working Tax Credit is not entitled to free school meals regardless of their income.
- you get support under part six of the Immigration and Asylum Act 1999
- you receive the guarantee element of State Pension Credit.

Information re School Transport can be found on the East Sussex website
