Thank you to...

Thank you to Lou Eldon, who secured black-out blinds for the school hall for free!

Support from the LSA and the Lion King Production team meant that craft and theatre workshops during Arts Week were free.

Thank you to everyone who has helped in any way, from baking cakes, making the Lion King such a success, saving and donating their coppers, dressing as an elf, and so much more.

Thank you also to the staff and children for all their ongoing help and support.

Next year

With lots of parents soon moving on, we are in imminent need of a new Chair and Vice-Chair. None of these positions are too arduous, any of them could be held jointly, and Allistair and Nicky will be around for a while yet to help you!

In terms of next year's spending, please do feel free to make suggestions to the school of how you would like to see the money raised by the LSA spent.

The next LSA Meeting is Friday 15th June at 8.45am at school
