

# Pupil Premium at Laughton Community Primary

## School

These are the areas  
where we have we have  
spent our funding

### **Nurture Support**

Individual and group support for children in building self-esteem, accessing learning and promoting personal safety and peace of mind

### **Mathletics**

Purchase of maths programme to support key facts and number skills and home school learning

### **1:1 and 1:2 Tuition**

Specific learning sessions with Inclusion Manager and/ nor tutor focusing on targeted areas from teacher assessment.

### **TA support in class**

Additional TA support in the afternoon sessions to ensure successful implementation of intervention programmes and support learning

### **ipads**

Specific apps used to promote literacy and numeracy skills in reading, phonics, mental recall. They have increased pupil engagement.

### **Staff CPD**

#### **Training in supporting pupils**

Attachment  
Introduction to Thrive  
Successful intervention in phonics  
Units bought through ESBAS, EP has provided training in literacy support, behaviour and TA role

### **Supply cover**

Supply teachers cover class teachers for small group support and individual feedback. This impacts on progress as children get informative feedback on their learning and next steps

### **Financial Support**

Financial support with trips and visitors to provide memorable learning experiences. Contributions towards attendance at clubs to develop confidence and achievement in practical skills, including music and swimming. Support in paying for uniform and school milk

### **CLICKER 6**

This writing tool provides better access for children to write independently using visuals and sound. They are able to record their work and improve their typing skills to developing their literacy skills
